

Contact Lens Institute Names 2025 Visionaries

Diverse Group Offers Insights to Promote Contact Lens Benefits, Healthy Wear & Care Habits Among U.S. and Canadian Professionals

WASHINGTON, D.C., January 29, 2025—Eighteen established and emerging eye care community leaders have been named as Contact Lens Institute 2025 Visionaries. The diverse group represents a range of practice settings, research interests, and specializations from across the United States and Canada.

Each Visionary has demonstrated a commitment to raising awareness of advances in soft contact lenses and prescribing benefits to patients and practices. Selected in part for their ability to connect with and inspire their colleagues, all will participate in initiatives that promote best practices, tools, new data, and clinical and practice management insights through the Contact Lens Institute's [*The EASY Way*](#) and [*See Tomorrow*](#) initiatives.

Eight Visionaries return to the program after previous service, while another 10 have been newly appointed. 2025 honorees include:
